The second Cutting Edge Cycle Challenge is even more ambitious than the first...

In 2008 the Shoe Repair Industry helped to raise £20,000 which went to the BBC's Children in Need appeal. This year the aim is to raise at least £25,000 to help the Cancer Research Join The Fight campaign.

The only way we can do it is with YOUR help. Please sign up for a section – or sections – of the route, as an

individual or as a team* and pledge to donate as much as possible from the sponsorship you raise to give to this important cause.

If you don't feel up to riding a section of the road route there is still the option of cycling (or walking) part or all of the way around Rutland Water on the final day.

Please join in – your Industry needs YOU!
